APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
St. Sylvester Church Trail	Superior Hiking	n/a	Non-Motorized	1.5	St. Sylvester's Church and cemetery were built in 1877 and overlook a medicine lodge and Lake Helen. The trail starts behind the church.
Jackpine River Trail	Superior Hiking	n/a	Non-Motorized	2.0	Trail provides access to the Lake Superior beach at the mouth of the Jackpine River in Nipigon Bay. Trail has views of Kama Point, Vert and St. Ignace islands.
Casque Isles Section	Voyageur Trail Association	n/a	Non-Motorized	56.4	n/a
A2 Access Trail	Voyageur Trail Association	n/a	Non-Motorized	1.2	Access trail off the north side of Highway 17, approximately 4 km east of the unincorporated community of Rosspoint turnoff.
Lake Superior Coastline Canoe Route	Ontario Parks	Lake Superior Provincial Park	Non-Motorized	105.0	This canoe route extends from the Michipicoten River to Agawa Bay, for approximately 105 km. Boat access from north of the park at Michipicoten Bay and Michipicoten River or from the park at Old Woman Bay, Gargantua Harbour, or Katherine Cove.
Rainbow Falls Trail	Ontario Parks	Rainbow Falls Provincial Park	Non-Motorized	3.0	Stairs and platforms at Rainbow Falls to a bridge over the cascades. The trail then leaves the river and climbs to a lookout overlooking Lake Superior and Whitesand Lake.
Under the Volcano Trail	Ontario Parks	Neys Provincial Park	Non-Motorized	1.0	A shoreline trail over rugged and smooth rocks in Neys Provincial Park.
The Bat Cave Trail	Superior Hiking	n/a	Non-Motorized	1.0	The Bat Cave trail is in Cavern Lake Nature Reserve just north of Ouimet Canyon. The trail provides access to the canyon, a lake, a small waterfall and the bat cave.
Winnipeg St. Access Trail	Voyageur Trail Association	n/a	Non-Motorized	1.5	Access trail by foot from the Township of Schreiber.
Michipicoten Section	Voyageur Trail Association	n/a	Non-Motorized	34.1	The Michipicoten Section runs from Highway 17 North to follow the Magpie River Valley, south along the coast of Lake Superior. It has both gentle and rugged terrain.
Picnic Table Lookout Trail	Voyageur Trail Association	n/a	Non-Motorized	0.2	The approximately 400 m long side trail leads to a panoramic view of the surrounding area, including the Town of Marathon.
The Loop Trail	The Town of Marathon	n/a	Non-Motorized	9.0	A popular walking trail in the Town of Marathon. It includes a network of community sidewalks. The Boreal Forest can be viewed for most of the trail.

APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
Marathon Section	Voyageur Trail Association	n/a	Non-Motorized	37.3	Originally built and maintained by the Marathon Harbour Boat and Marina Club, this trail is characterized by boardwalks, steps, ladders, and bridges, all made from materials at hand.
Welsh Mountain Trail	Superior Hiking	n/a	Non-Motorized	7.0	n/a
Coldwater Creek Trail	Superior Hiking	n/a	Non-Motorized	4.0	n/a
Tiny Bog Trail	Ontario Parks	White Lake Provincial Park	Non-Motorized	4.5	This trail loops around a spruce bog and two large beaver ponds, then climbs a sandy ridge of jack pines. A boardwalk crosses the bog, leading to a viewing platform and bench.
Point Trail	Ontario Parks	Neys Provincial Park	Non-Motorized	1.5	This trail begins at Prisoner's Cove, curves along the shore and ends at Rocky Prisoner Point, where there is a view of Lake Superior. Identified for vegetation viewing opportunities.
McLean's Segment	Voyageur Trail Association	n/a	Non-Motorized	14.1	This trail travels from the unincorporated community of Rosspport to Rainbow Falls Provincial Park. The trail has varied geography and runs north of the CP Rail line with views of Lake Superior.
Ouimet Canyon Trail	Ontario Parks	Ouimet Canyon Provincial Park	Non-Motorized	1.0	This trail leads to two platforms overlooking Ouimet Canyon. Walkways, viewing platforms and interpretive panels explain the unusual ecology.
Lyda Bay Segment	Voyageur Trail Association	n/a	Non-Motorized	6.4	The Lyda Bay Segment is a main trail that runs from Hydro Bay to Terrace Bay at the Aguasabon Gorge.
Isbester Dr. Access Trail	Voyageur Trail Association	n/a	Non-Motorized	0.4	This trail runs from Isbester Drive via Railway Street in the Township of Schreiber. The main Trail crosses the beachfront approximately 2 km south of the Township of Schreiber.
Penn Lake Park Trail	Town of Marathon	n/a	Non-Motorized	2.0	Located in Penn Lake Park, the trail lies within the Town of Marathon. The trail is relatively easy and loops around Penn Lake. Moose, bear, grouse and waterfowl are commonly seen in the park.
Mary Island Ice Hike	Superior Hiking	n/a	Non-Motorized	5.0	This trail allows for ice hiking from the Silver Harbour CA to Mary Island, the site of a busy ice fishing location.

APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
Trans Canada Trail Association	n/a	Sleeping Giant Provincial Park (Eastern Road Link) Section (Proposed)	Motorized and non-motorized	43.9	The Trans Canada Trail (TCT) is not yet connected from coast to coast to coast. This proposed trail represents a future section not currently connected but planned for construction by 2017.
Aguasabon Gorge Trail	Superior Hiking	n/a	Non-Motorized	6.0	This trail is also known as the Lyda Bay Segment of the Casque Isles Hiking Trail, following the gorge to Terrace Bay Beach.
Claghorn Observer Rock Trail	Superior Hiking	n/a	Non-Motorized	2.0	A marked trail to the top of a long cliff band known as Claghorn, providing cliff top views.
Nipigon River Recreation Trail	Superior Hiking	n/a	Non-Motorized	16.4	The Nipigon River Recreation Trail provides views of Nipigon Bay. It connects the Nipigon and Red Rock Marinas and is the westernmost section of the Voyageur Hiking Trail.
Caribou Island Ice Hike	Superior Hiking	n/a	Non-Motorized	10.0	This ice hike extends from the shore of Lake Superior to Caribou Island. It is known for its winter viewing opportunities and is accessible from Highways 11 and 17.
Upper Kama Trail	Superior Hiking	n/a	Non-Motorized	8.0	The Upper Kama Trail is located in the Kama Hill Nature Reserve. The trail passes waterfalls, streams, cedar forest, and scenic views.
Lower Kama Trail	Superior Hiking	n/a	Non-Motorized	13.0	This trail takes extends to the tops of the cliffs overlooking Kama Point and Lake Superior, and is known for its viewing opportunities.
Carden Cove Trail	Town of Marathon	n/a	Non-Motorized	2.0	This coastal trail is located on Lake Superior, offering vistas of Marathon Harbour, and scenic views of Blondin and Hawkins Islands.
Cavers Winter Trail	Superior Hiking	n/a	Non-Motorized	7.0	Cavers Cove is located west of the unincorporated community of Rosspoint. The Cavers Winter Trail travels along the ridge for views of Lake Superior and the railway line.
Deer Lake Trail	Ontario Parks	White Lake Provincial Park	Non-Motorized	2.5	This self-guided trail follows the shore of Deer Lake to a beaver marsh and northern boreal forest. The trail is used for birdwatching and wildlife viewing.

APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
Clearwater Lake Trail	Ontario Parks	White Lake Provincial Park	Non-Motorized	2.0	This trail leads through a pine forest to the spring-fed Clearwater Lake, with swimming and canoeing opportunities. The trail offers beach and fishing access.
Wildlife Habitat Trail	Ontario Parks	Sleeping Giant Provincial Park	Non-Motorized	2.4	This trail offers wildlife viewing opportunities on the southern tip of a rugged peninsula in Sleeping Giant Provincial Park. It is an area known for Moose habitat.
The Crack in the Rock Trail	Superior Hiking	n/a	Non-Motorized	1.0	The Crack in the Rock trail offers a rocky surface that can be hiked. The trail extends from the CN railway tracks near the Pic River and ends on the top of the formation with views of Lake Superior and the Pic River.
Dune Trail	Ontario Parks	Neys Provincial Park	Non-Motorized	1.0	A short trail within existing boreal forest.
Worthington Bay Trail	Superior Hiking	n/a	Non-Motorized	10.0	This trail extends from Highway 17 to a rugged Lake Superior beach at Worthington Bay, between the Town of Schreiber and the Town of Terrace Bay.
Nipigon Bay Snowmobile Club	Nipigon Bay Snowmobile Club	n/a	Motorized and non-motorized	200.0	This approximately 200 km trail crosses Crown and private land and is of moderate difficulty. Trail maintenance is undertaken by volunteers.
Lagoon Trail	Town of Marathon	n/a	Non-Motorized	2.0	This trail provides views of a lagoon on the shore of Lake Superior and opportunities for birdwatching.
Challenge Trail	Marathon Cross Country Ski and Snowshoe Club	n/a	Non-Motorized	3.4	The Challenge Trail includes three trails – the Discovery Loop (approximately 1.6 km), the Cascade Loop (0.8) and Renny's Run (approximately 1.0 km).
Olympic Trail	Marathon Cross Country Ski and Snowshoe Club	n/a	Non-Motorized	4.6	The Olympic Trail includes two trail routes – the Ransom's Loop (approximately 3.3 km) and the Vortex Loop (approximately 1.3 km).
Jack Rabbit Trail	Marathon Cross Country Ski and Snowshoe Club	n/a	Non-Motorized	7.4	The Jack Rabbit Trail includes the Bunny Hop Loop, the Northern Lights Loop (approximately 2.7 km), the Peninsula Loop (approximately 1.0 km), the Prospectors' Loop (approximately 2.2 km) and the Riverview Loop (approximately 0.9 km). The Northern Lights Loop is a lit trail.
Fitness Trail	Ontario Parks	White Lake Provincial Park	Non-Motorized	0.5	This campground walking trail extends through segments of the White Lake Provincial Park and offers eight exercise stations.

APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
Terrace Bay Lookout Trail	Ontario Parks	Neys Provincial Park	Non-Motorized	2.0	This trail provides viewing opportunities overlooking Lake Superior.
Trans Canada Trail Association	Non-Motorized	Terrace Bay to Neys Provincial Park Section (Proposed)	n/a	46.6	This proposed trails represent future sections of the TCT not currently connected, but planned for construction by 2017.
Kinghorn Trail (Proposed)	Trans Canada Trail Association	n/a	Motorized and non-motorized	107.0	This proposed trail represent future sections of the TCT not currently connected, but planned for construction by 2017.
Neys Gazebo Lookout and Coastal Trail	Trans Canada Trail Association	n/a	Non-Motorized	18.0	This section of the TCT is located in Neys Provincial Park.
Nipigon Bay Section (Proposed)	Trans Canada Trail Association	n/a	Non-Motorized	72.5	This proposed trail represent future sections of the TCT not currently connected, but planned for construction by 2017.
Stillwater Bay Trail	Voyageur Trail Association	n/a	Non-Motorized	0.1	A side trail leads to the mouth of Stillwater Creek.
Mount Gwynne Lookout Trail	Voyageur Trail Association	n/a	Non-Motorized	0.2	This approximately 300 m trail leads a climb up to Mount Gwynne Lookout, approximately 260 m above Lake Superior. From this summit there is a 360 degree view for approximately 80 km.
Return Loop Trail	Voyageur Trail Association	n/a	Non-Motorized	0.8	n/a
Hemlo Dr. Access Trail	Town of Marathon	n/a	Non-Motorized	0.9	An access trail providing access to Hawks Ridge.
Death Valley Segment	Voyageur Trail Association	n/a	Non-Motorized	12.8	The Death Valley Segment runs from Worthington Bay to Hydro Bay. It is a main trail.
Back Forty Trail	Ontario Parks	Rainbow Falls Provincial Park	Non-Motorized	5.6	This older trail climbs steeply to a view of Whitesand Lake and Lake Superior.
Mount Gwynne Segment	Voyageur Trail Association	n/a	Non-Motorized	6.5	This trail provides access to the Mount Gwynne Lookout, approximately 260 m above Lake Superior, as well as the Abyond Lookout and Fourth Lake.
Clearwater Creek Loop Trail	Voyageur Trail Association	n/a	Non-Motorized	1.9	This loop trail exits the main trail to the left, past the Clearwater Creek Bridge. The trail follows the old creek bed to a marina.

APPENDIX 19-II
Ontario Trail Network Trailheads

Table 1: Ontario Trail Network Trailheads in the Non-commercial Land and Resource Use Local Study Area

Trailhead Name	Managing Trail Association	Trail Group	Activity	Total Trail Length Associated with Trailhead	MNRF Description
A3 Access Trail	Voyageur Trail Association	n/a	Non-Motorized	0.5	A short distance along the main trail is a loop trail which parallels railroad tracts to meet an old bush road.
Hawk's Ridge Trail	Town of Marathon	n/a	Non-Motorized	1.2	Hawks Ridge Trail (signed), can be followed to the top of a high bluff overlooking Lake Superior.
Superior Trail	Ontario Parks	Rainbow Falls Provincial Park	Non-Motorized	4.8	This trail winds along the top of a granite ridge, presenting views of Lake Superior.
Bridget Lake Access Trail	Voyageur Trail Association	n/a	Non-Motorized	1.1	This trail is an access trail along the Bridget Lake Resources Road.
Golf Course Access Trail	Voyageur Trail Association	n/a	Non-Motorized	0.5	Access trail for the Aguasabon Golf Course.
The Schreiber Channel Segment	Voyageur Trail Association	n/a	Non-Motorized	13.1	The Schreiber Channel Segment travels from Rainbow Park to Schreiber Beach and has numerous lookouts.
